Great morning [REDACTED]
Thank you for this beautiful message. You're right [REDACTED] I was met by a beautiful weather yesterday. I'm grateful for that and all positive things in life: strength to do my job, good mind(although Boss said he is used to me forgetting things) having my own house gift from him , kind co workers like you, and all good things from God. So I celebrated my special day with a big grateful heart and I try to do this everyday.
Thank you [REDACTED] even if I just read this now it will always be remembered.
God bless you and your family

My best always .
