Katherine...Jeffrey has just informed me that he will no longer have a dinner at the institute on Friday...Noam Chomsky is not feeling well and I believe he was the main draw for the dinner if you will...Jeffrey should still be going up for a visit, just no dinner ;)

Hi [REDACTED],

Hope all is well.

Any news on the catering selection? Some of the options require 48 hours (+) notice.

Thank you!

Hi Katherine! thank you so much for this! I will find out if Jeffrey has a preference...do you think Martin will have another assistant to help out this night? I know Jeffrey will bring along at least one assistant, but I'm thinking we may need more help with the set up/take down! Hope you are enjoying the long weekend!! (My son still had school today so i keep forgetting!)

Hi [REDACTED],

I am in New Hampshire with spotty reception for the holiday weekend, so please excuse delays between replies!
Depending on what cuisine everyone would like, Café Sushi offers [sushi platters](#) and [other sushi items](#), there's deli [entrées](#) and [platters](#) from Formaggio's, or there's traditional catering menus from [Russo's Catering](#) or [Milk Street](#)

Café. There's always pizza, etc... just let me know! I haven't yet asked Martin but his usual response is "whatever Jeffrey wants". :-)

Just a heads up - I have class on Friday evening and cannot miss it, so unfortunately I will not be available to help with the setup or take down.

All the best,

Katherine

Hello Katherine. Hope you are well! Looks like you will be helping with the organization of the dinner this Friday? I will find out if 6pm works for the Chomsky's...should be fine for Jeffrey. Might you be able to give us a couple of choices from where to cater the dinner? I will also try to find out which assistant will be accompanying Jeffrey so we can all stay on top of details together.

I'm sure Martin will be gathering up the 'group'...do let me know who else will be coming once he knows...

Thanks, [REDACTED]
