Hi Rich...Ike thinks you should just run as if you are this other guy...pretend you are him...don't make waves...thing is, forever more when you go to look on line to see how you did you will have to look under his name! I guess it's not that big of a deal...just would be nice if it was your name...BUT, the most important thing is that you can run NY City Marathon...the best Marathon of all the Marathons...

What did the RoadRunners club have to say?
