Good morning [REDACTED]

Hope all is well. I'm not sure if Jeffrey is still on here or not. If he is, I hope I'm at the airport when he's leaving. Can you ask him if he has anything for me that I can look into or engage in in the meantime while I wait for the course he recommended to me to start in January? I've been doing enormous reading on the fundamentals and research to keep myself engaged, but I don't want to detour too much into directions that are not efficient for me.

Thanks again and take care,
