Jeffrey is still departing on Sunday...his guest (shhhh!!!) [REDACTED] is departing on Sat. morning (on the same flight I am on!) She is staying on the island however and will need a ride to the airport Sat. morning...

FYI-Jeffrey has a 12:30 lunch on Sunday at his house that I reminded him of today...want to make sure he is back in time...he says he will leave from the island on Sunday to make the lunch...
