is world headquarters for German gear.

While back Bucky and Nancy Ray were in Germany and she asked their barmaid where they could get an outfit like hers. "Ernst Licht" in Pennsylvania," was the reply... not a shop down the street.

Made in USA is much less expensive than the made in Germany items.

You should both have outfits. We will also come to your Oktoberfest parties.

Yes! We take a cab downtown and plan to stay there. At Jeffery's or a hotel.

Ashley joins us... hopefully she can get off... or... EVERYBODY comes to the city. (?)

Broadway show is a possibility. What is it? (Valuable public service here is that Ike doesn't feel he has to go.)

Diana and Randy can hoof it around the city for a while, then take a train... or ride home with Les when she is ready.

All sounds good to me!

(Les, you want us to delete from our address book the hotmail address, or the jeemail?)

At Addison Oktoberfest last weekend.

Note Diana's beer opener instead of a cleavage dagger.
