Greetings [REDACTED],

They are advising getting to the airport 3 hours in advance. So 4:30 am to get to the airport for 5 am, but I will ask the ladies tomorrow what they think, DW

Hi Daph...on Sat., my and Bebe's flight departs at 8:05am...I am thinking we just take a taxi from the Ritz to the airport...can you advise what time we should leave the Ritz for this flight? I plan to check in to our flight while at STC on Friday! I see there is Kelly's Taxi and we can reserve a taxi through them....does this all sound like 'a plan' to you?!
