Yes I can clean 11J on Tuesday no problem, it doesn't take 3 hrs to clean the apartment unless it's general cleaning. It take longer if I have to do the laundry and iron the sheet after. The laundry room in [REDACTED] in diff. days is a battle and that's what makes longer to finish my cleaning the room I have to keep checking my laundry so no ones takes my laundry and put it away while still damp. So I have to time it up and after that ironing by hand is consuming time. Last week when we clean the 3 apartments I send all the towels and linens at 71st to wash and press it, because we have no time wash the linen and focusing cleaning the 7J and 8a for the coming guest. Thurs. cleaning is bit longer bec. I have to change their beddings and towels to clean. Be there in Tuesday morning.
Thanks Les.

Ok no worries. I hope you feel better. Another question then, could you go to 11J on Tuesday morning? Since Jeffrey is in town you don't need to clean [REDACTED] apt (you will clean [REDACTED] and [REDACTED] apartments next Tues. 22nd) I can't imagine it will take you more than 2/3 hours in 11J...Leo will be at the house along with Lyn, Jojo, Merwin. Once you are done with 11J, you can report back to the house.
OK? (Nili is really wanting cleaning and I think Jeffrey would want to accommodate)

Thanks, Lesley
