Greetings [REDACTED] and Bebe,
For your reference and review are photos for the other Punch Lists in the Workbook. These items and photos will naturally be updated as changes occur- for example, the tires (Anna-3-Vehicle Tires) are on St. Thomas - they are being cleared and we expect to pick up tomorrow or Thursday. Those items will be updated and a photo sent to document even when they fall between the mandatory updating days.

The gaps in the photos will be sent tomorrow.

Jermaine does his own updating - but we will make sure it is captured on the upcoming 10/1 and 10/6 updates.

Please do not hesitate to email any questions, concerns, comments, recommendations. We really appreciate you both.

Kind regards, DW
