Karyna, does this work for you? Or do you need Eileen to move to 8A now? I'm sure Eileen is happy to do whatever needs to be done

Lesley,
They're still doing demolition next to 8A and the dust goes in from the vent and into 8A. Construction will stop around noon then they can remove plastic and do some dusting before Eileen can move in

Thanks

I know that 8A was cleaned yesterday and the furniture was covered with plastic sheets. Lesley, please have Tess or Leo unwrap it before Eileen moves in.

Thank you!
