Need the answers to the below:

- What passport are you taking with you to embassy? #516923892 (his 2nd passport)
- is this for a transit, short term or long term visa?
- how many number of entries? single? double or multiple?
- Term of Visa Validity? (when does he want the visa to be good for? from when to when?) How long is term of stay?
- Name of inviting organization or person? (is this to be you?)
- Address of inviting organization or person?
- Address of stay in Belarus?
- Did Jeffrey ever go to the Republic of Belarus? (i don't think he ever went? but if he did, we need his previous dates that he went)
- Was his Belarus Visa request ever denied? (I don't think so)
- Means of transport available for your entrance (Jeffrey's private plane-which tail number?)
- Itinerary during his stay in Belarus?

I am on my way to a BBQ for Labor Day...I will be home close to 8pm...so if you can get me the answers between now and then that would be super!

Hi Lesley,
Jeffrey wants to get a new Belarus visa. He wants me to go to the embassy tomorrow morning, since I am leaving Wed night for Paris. Can you please have all the papers ready for tomorrow. He will be applying for visitor's visa (private visit) with expedited processing time. All the info should be the same as last time. Please see the requirements below:

I will do the letter of invitation at the embassy.

Thanks,
Karyna.
