We have extra pics of Jeffrey in my file cabinet under my desk. One of the very first hanging folders (probably the first one). There is an envelope that says JE passport pictures

Hi Lesley,
Jeffrey wants to get a new Belarus visa. He wants me to go to the embassy tomorrow morning, since I am leaving Wed night for Paris. Can you please have all the papers ready for tomorrow. He will be applying for visitor's visa (private visit) with expedited processing time. All the info should be the same as last time. Please see the requirements below:

I will do the letter of invitation at the embassy.

Thanks,
Karyna.
