Hello Nili! This email made me smile! So happy all is going well for you and Ehud in 11J and New York city! I will have Tess come in and change your linens and take care of the fridge items that will go bad..Mewin is excellent and will keep track of the key for the safe for you...once you arrive back he can bring it over to you...just let me know when you arrive and we will coordinate.

Nespresso!!! fabulous! I am sure future guests will appreciate and it is nice of you to donate upon your departure.. Take care and 'talk' soon. [REDACTED]
