Hi Andrew. Hope you are well. I received this Flight Aware email last night confirming Jeffrey Epstein's airplane (N908JE) arrived Newark at 11:38pm, yet he had plane issues and had to turn back around to ALB!? This is actually the second time I have received a confirmation email of arrival when Jeffrey's plane did NOT arrive. It's very confusing and I am hoping we can rectify this issue. Can you please look in to it for us? Larry, our pilot, is cc'd here and is wondering the same...

Thank you,
Lesley
Assistant to Jeffrey Epstein
