Good morning [REDACTED]

Tomorrow I'll be instructing a class from 1-9pm for work, but I will make the time in the morning to come to the airport if he needs me to. I will be there before he gets there, since I won't be able to go on the ramp due to not being in uniform at that time.

Thanks,

Hey [REDACTED]

Hope all is well with you!

Could you let Jeffrey know that I completed the lectures as well as reviewed the documents that corresponded on iTunes University that he recommended me to. It is a wealth information and could be intimidating at first, but it did the complete opposite. I'm more determine now than when him and I spoke last. I know its a long road ahead, but I'm willing to take that road, because it's too important not to.

Please let him know that I really appreciate the guidance he's giving me and hope he's willing to continue to guide me in the right direction.

Thank you,
