Hi Les,

Okey not a problem I will make sure 11J will be clean before they came back. Thank you for reminding me.

Hi [REDACTED] would like you to change the linens on the bed and tidy up in 11J...also, they have left for Israel and won't be back until Aug. 25th. Please look in the fridge and throw away anything that will go bad between now and then for them. Because they are away, there is no need to go back this friday (or whatever the second day of cleaning is for you) or next week for that matter...Perhaps on Monday 24th go in and dust before they arrive on Tues. 25th :)

:) thanks, Lesley
