Hi Nili...we can have Merwin come over today after 3pm to have a look at the safe for you...Merwin is cc'd here. Could you please let him know when would be a good time for him to come by? He is asking if you have something already in the safe that you or one of your security people is around when he tries to open the safe for you...I believe it is just a combination safe similar to those in hotels where you put in your own code to open.

Merwin's cell: [REDACTED]

Thank you! [REDACTED]
