The guests confirmed for the time warner technician to come in tomorrow.
Thanks.

Karyna,
I made an appointment with Time Warner for tomorrow 10AM to 11AM.
Technician will replace and program the remote control for the TV and and exchange modem.
Please insure someone is present in the apartment.

Thank you,
Bella

Hi Bella,

Jeffrey has some very important guests in 11J and there's a problem with the TV remotes. The remotes for the TV & Bluray player are missing (there were two old remotes for devices not there anymore) and the TimeWarner remote doesn't work very well -- you have to aim it just right and push the buttons multiple times. Sometimes it turns the TV off or on, sometimes it doesn't. It looks very old and the battery door is held on by packing tape.

Also, it still has the blue Ubee internet modem, not the new ones we've got in the other apartments.

Can you see if we can get these replaced as soon as possible? Is it possible to have a TWC tech come & do it or for us? I don't know if the cable remote needs to be programmed...

It'd be preferable if we could avoid them being left without internet & TV while someone took the equipment to the TWC store.

Hi James,
Would you please look at their TV in 11J as well, they are having some issue. It is possible it has to do with the time warner contract (then we will have to speak with Bella) but I am not sure what it is.
Thank you,
Karyna.

It's unlikely we'll have to replace the printer. If you think it's better that you're there just in case, that's great too. It's always lovely to see you.

It's up to you — I could just call you if I need you.

Is your cell still

It is apartment 11J. Please ask for Nilli.

They are important guests for Me. Epstein. In case there printer is broken, we will need to get a new one. Do you need me to be there in case we need a new printer?

Thank you,
Karyna.

Hi Karyna,

I have plans in the morning, but I could
be there anytime between 1 - 6 PM
tomorrow if that works?

Please let me know.

Hi James,
Mr. Epstein has guests in one of the apartments at 301 E 66th Street. They need help to set the printer. Will you by any chance have time tomorrow around 11am? I understand it is a short notice and tomorrow is Sunday, but wanted to check in case you are available..
Thank you!
Karyna.
