Hello Roberta...

You are so very sweet...Paul had touched base on this with me yesterday and I truly believe what Jeffrey would appreciate the most is a nice handwritten note thanking him in your own words...He is a very generous man and I know it makes him feel the happiest when people just thank him for his generosity...he really needs nothing! Genuine words of appreciation is the best! You could send a picture too to go along with the letter if you wanted (?)

You can send to:

Jeffrey Epstein  
9 East 71st Street  
NY, NY 10021

I do hope all is going better than expected! Take care of you and your son.

Do you have any suggestions -- maybe a gift basket with foods, coffee, tea etc. that he especially likes? It's always challenging to get the right gift when you don't know someone.
