A lot of surprises! It's fun.  
Thanks

Hi Nili...I spoke with the doorman who confirmed you have 6 packages waiting for you! They will keep them safe until you return...

Dear [REDACTED]

I may have sent orders/packages/purchases from different suppliers to the address of the apartment. I have left a note to the concierge to hold it for me till I return, but as it is quite a long time till September 10, will you please let them know the date that we will be back and keep the deliveries for me till then? (I don't have their tel. number)

thanks a lot

Nili
