Thank you for getting the hole fixed for us. I am afraid all our apartments have guests at moment and will until August 4. We can arrange for you to go into 8A and 11B apartments if necessary for small punch list items if need be. I just don't want to intrude on guests. 10B And 11J have guests I don't want to interrupt.

Yes we did it yesterday. Also is it possible to get Mr. Rich email bc he spoke with Mr. Barrett scheduling inspection for the punch list. Also please give again the schedule of the guest apartments for next week availability. Thank you. Penn
