Hi [REDACTED],  
I gave your work phone # and your email to Lior, the security guy for Mr. Barak.  
He will contact you in case they have any questions or need any assistance, since  
I am leaving NYC today.  
Lior: [REDACTED]

Also, here is Nili's phone # just in case: [REDACTED]  
(this is the correct one, the one JE forwarded to me before had one incorrect  
number)

Thank you,  
Karyna.
