sure...sounds like a good plan to have Leo help. I will let merwin know.
Svet is here now but leaving for the ranch Thursday evening.

I know that 7J don't have anything and we have some extra that we can arrange to put in the kitchen, beddings and bathroom. Is it okey if Leo can come and help me to get the stuff in our mini storage in the basement of 301. And can you please let Merwin knows it. Probably I'll need him on Thursday. Is [REDACTED] is here?
Thank you
