Subject: Suite for Napa?

Bebe says she had been researching a place to stay in Napa for you...I have called Amex and the Meadowood Napa Valley only has the Treeline suite available for the night of Aug. 1...they do have the Lawnview Terrace Room w/ Fireplace available for Aug. 1 & 2 (but this is a regular room, not a suite)

Please let me know if I need to continue researching a suite for you in Napa and if so, what dates (July 31-Aug. 2)?
