Dear Jeffrey,

Thank you for shopping at GetWineOnline.com! We have received your order shown below.

STORE PICKUP ORDERS

Most items on our Website are not physically available for purchase on the store floor. You will receive an email confirmation when your order is ready to be picked up. Items are transferred from our offsite warehouse (non-retail location) to the retail store and processed and packaged within 24-72 hours.

FEDEX SHIPPING

Orders may take 1 - 3 business days to process before they are packaged and shipped. You will receive a separate email with a FedEx tracking number the day your item ships. GetWineOnline.com does not process orders on the weekend or during major US holidays. This is important especially if you requested expedited shipping.

Attention Store Pickups: Please wait for the second e-mail indicating your order is ready for pickup before coming to the store. Thank you.
