Ok. Rich, should we send James over? I'm not sure Leo would know what to do.

There is an Apple TV set in the apartment, but without a remote control.

Hi Bella,

The guest in 10b has purchased an additional TV for the bedroom (they are going to stay for a long time) and would like to connect it to Time-warner.
Could you please organize that?

Also Apple TV doesn't seam to work. Can we have Leo or James stop by during the week?

Thank you so much!

All the best, [REDACTED]
