...I don't know why she wants to do both...but she does...She definitely wants to have her reserved tickets to/from St. Barth's reserved again tomorrow (under new record locator as you stated) She prefers the ticket to not be expired when she goes to the embassy on Monday at 9:30am...

And I don't think that embassy (consulate) will call the hotel.

And if visa for 1 year, then we don't even need anything from St. Barth.

Karyna actually thinks the voucher from the hotel the way it is may be sufficient enough without paying! It does state "thank you for your reservation...etc" Karyna is asking Jeffrey what he thinks...it is his money...lets stay in our holding pattern for now!...and yes, I think Karyna is asking for 1 year visa for sure.

OK, according to the hotel, we have to fill the papers, email them back to the hotel. They will charge deposit of 2550.00EUR, the rest will be charged on September 26, but they said the voucher for the embassy will be activated only after 26th of September.

Is it the same Schengen visa for St. Barth, correct? Is there any way Karyna can request visa for 1 year? I believe it is possible.
