Hi Jeffrey

[REDACTED] is scheduled to finish his first round of chemo next week and then the second round in mid September. After that it's up in the air as to whether they can operate or do a third round. Is there any chance they can stay in the apartment a while longer? They can start paying rent. Being close to Sloane Kettering makes such a big difference.

You have already gone above and beyond so totally understand if you want them out in early September.

Thanks

Paul
