E Mail traffic for Shawn Mills, Listen Up-ABQ
Crown Amp PDF

As requested the Movie Rm front left and right Klispch speakers have been moved to the Great Rm.

Long story short, the sound quality is terrible.

Situation:

Blown Tweeters on Klispch Speakers, these have been ordered with new sub for Movie Rm
Volume control pots on 3 x Crown Amps have become unstable.

Recommendations:

Have control pots cleaned at a estimated cost of \$600.00, other parts maybe needed \$200 plus.
please note attached E Mail, "there maybe other problems"

30 day turn around

or

Replace all 3 Amps at an estimated cost of \$6,900.00 plus labor.

Notes:

Existing Amps are discontinued so part availability could be tricky
Amps have never been work on or serviced in my time.

How do you wish to proceed. fix or new?

regards

Brice Gordon
