Everything is fine! this message is a continuation of my previous message!! I am asking if ON JULY 24 can you turn around apt 11J from 11:30-5pm and have it ready for an important guest who is coming to stay for 3 months...Do you think you can have the apartment in perfect condition for the new guests if you have 5 and a half hours to clean? Please let me know as soon as possible...thanks
