Hi [REDACTED] and Ike,

So sorry I didn't respond sooner! It has been busy with the move! I'm so thankful to have worked with [REDACTED] and you over all of these years. You are such a beautiful family.

[REDACTED] was so sweet last week. He said to me, "I have known you for half my life". He made me cry! With everything being so busy, I really didn't have time to think of everything that was happening and when he said that to me, it was so touching.

I'd love to keep in touch!

Hi Toni!! I am so sorry I didn't get to see you today! You will be missed by our whole family! We can't thank you enough for helping [REDACTED] with his school work over these past years...you have been a tremendous help to him and I know he looked forward to seeing you each week. Thank you for the sleepovers at [REDACTED] and helping us make [REDACTED] the best person he can be.

I hope y'all had a good session today. [REDACTED] and I worked on some of your math sheets yesterday together and we will continue to use "Toni's folder" all summer...

You are the best and we would love to be on your 'referral list' ...

Take care and we wish you all the best in everything you do! We know you will be back and want to keep in touch...please do send me your new contact details and home address!

xoxo, [REDACTED], Ike and [REDACTED])
