Dear Lesley,
Thank you for your support of the [redacted] Building Committee's recommendations. As of now there is no petition, but parent support is very important. There are many government meetings where the funding of the project is being discussed and voted upon. Having parents attend the meetings or contact the committee members by email with your views would be very helpful. Go online to the New Canaan Public Schools site and you will find connections to fill you in with specifics about the meetings, issues and how to contact your elected officials by email with your opinions.
Please let me know I can be of further help.

Hello Hazel...if there is a petition supporting the [redacted] School Additions and Renovations, I would like to be on it! WE must increase the size of our wonderful middle school to accommodate our kids...

Thanks so much,
