Hello All...we need to keep an extra key to everyones mailbox 'on hand' at Jeffrey's house. Do you currently have a key to your mailbox? If so, please go and have an extra key made....I know there is a place that makes keys on Lexington not far from the apartments. If you do not have a key to your mailbox, please let me know and we will have the lock replaced and new keys made.

Please get back to me on this as soon as possible.

Thanks, Lesley
