Subject: S. Hawking's contact info

Dear Mr. Pinker,

I hope you are well. I do the content and media for Enhanced Education, Jeffrey Epstein's foundation. I also freelance as a science journalist. I was in touch with Greg Veis about Highline and he mentioned that you were hoping to interview Stephen Hawking. Jeffrey suggested that you call/email his assistant, Leslie Groff and she will give you his updated contact information. She is cc'd above.

Leslie Groff

Thank you and all the best,
