Lesley, I'm going to send it out after our call today and should have tracking info for you by end of the day.

Any possibility he can have online access for our 1pm call? I'm finishing up some work but will be send a few documents to him prior to the call. (It's fine if Jeffrey won't have online access but I think it will be much easier to follow along if he did.) Let me know what the best email to use for him is.

Thank you,
Joe
