Sorry not yet - I'm still finishing up some work.  
I will walk him through everything though and if he's just in front of his computer, we'll be in good shape. (This won't be a video conference. We'll talk by phone but he'll follow along on an excel sheet and word doc.)

Lesley, I'm going to send it out after our call today and should have tracking info for you by end of the day.

Any possibility he can have online access for our 1pm call? I'm finishing up some work but will be send a few documents to him prior to the call. (It's fine if Jeffrey won't have online access but I think it will be much easier to follow along if he did.) Let me know what the best email to use for him is.

Thank you,  
Joe
