Went for run and ran to water tower field to see [REDACTED] and football. I saw [REDACTED] make a touchdown for his team. Looked like tons of fun. He was a "skin" and I have to say he did look trimmer. Saw scott wernerberg. They have a new puppy. OMG darn cute!! Yellow lab 9 weeks old. I held her. [REDACTED] wants one. Ran to car Now I'm on bike and waking with Paula at 10:30! Boys [REDACTED]) will swim at [REDACTED]. I will pick up [REDACTED] at 2:30 Are you home like 5? I thought you and [REDACTED] could do lax again together for 30 min. I will take him to library.
