Hi Rich,, Important. I spoke to Moshe, He called confirmed apt etc, He later texted me asked me about the chain to get to the person whom its working for, He mentioned being on a few high end interviews through Spencer Stuart and other sources,

One conversation lead to another of where he has been . he mentioned that he met Brad Wexler over coffee to discuss the role working for Apollo family office, He is very interested in the role , however this was a few months back in March. The end result was he was told they had 3

other finalists , and although it went well, it did not come to fruition then.

He would like the role to work for Leon ,but he feels if it is to end up meeting Brad again that the end result would probably not be in the best interest of Mr Epstien's time,

Please advise..
