Valeria, Jeffrey would like to have you come at 11am for a visit on Thursday June 4th...then he would like to host a lunch for you and a larger group of interesting people! They would arrive at 12:30...sound good for you and Noam? (I know I won't hear from you until tonight ,thanks!)

Thursday would be better for us.  
I will probably not have access to the Internet until tonight, but any time would be OK for us.

Ok, good to know...Jeffrey is wondering if Wed. or Thurs. would be better then!?  
He is quite flexible next week and happy to accommodate...

Hi Lesley,  
Tuesdays and Fridays are exactly the days when Noam is

at work with a solid schedule, that's why these two days of the week are the most complicated for us. But we could still see Jeffrey after 6pm, if this works for him.

I meant Jeffrey's group from Mark Nowak's institute. Anyway I think we can work it out.

Lesley,

Noam will check and will let you know tomorrow.

Is Jeffrey interested in a meeting with the group or only himself.

Unfortunately Jeffrey will not be staying over. Would after Work  
on June 2 be an option? 5pm?  
6pm?

Hi Lesley,  
Unfortunately June  
2nd won't work,  
because Noam will  
be at work all day.

On June 3rd, we have a commitment at 2pm, but we could  
meet for brunch or  
early lunch if  
Jeffrey is still  
around.
