Does anyone know who printed the large canvas that Merwin put up in the entry hall stairs? Jeffrey would like me to have another one printed and I have no idea where to go.
Thank you

:)

Hi Lesley:

I have used King David to stretch a massive canvas, and to frame two photos; they do excellent work, will come to your house and are professional. I don't have a close relationship with anyone there as the work I gave them was spread out over the span of like three years, but here is their contact:

It is run by Israeli guys, so negotiate the price before they see Jeffrey's house :)... really though, they are reasonable, and do great work.
I suggested to Jeffrey that he have all three canvases stretched and then installed like a triptych... But that is just my first inclination... I would come up to the house to take a look, but I'm leaving today for 1.5 weeks...

LMK if I can be of further assistance.

Have a hell of a day!

Good morning Philip! I would be happy to assist in this coordination. If you could be so kind to make an introduction for me to your contact at King David Framing I will take it from there. Thanks, Lesley

Great. Glad they work. Why not stretch them a work of art and hang them like a triptych? I'll think of some more ideas. I'd come up and look at the wall for you, but I'm out of town for the next 1.5 weeks. Can you send me a picture of it? Thanks.
