Subject: Your Wife to Help when [REDACTED] away?

Hi Janusz...I am just wondering if when [REDACTED] are away your wife might be able to come help as well...? I believe [REDACTED] will be going the same time as [REDACTED] and [REDACTED] and it is a lot for one person [REDACTED] to clean the house and the apartments... [REDACTED] says she is working for [REDACTED]...I am wondering if [REDACTED] and Jeffrey could work something out here...but I guess first, we need to know if your wife would be ok with coming...

Thanks! Lesley
