Hi Lesley,

I've just asked my lab in Richmond, VA to send a kit to

Jeffrey's address at
9 E 71.

Separately, I'm
sending the
paperwork to the
same address.

When they both
arrive, please let
Ciera know and
we'll schedule to
our phlebotomist to
come out to
Jeffrey's home or
office to do the
blood draw.

The whole thing
takes a little over 2
hours.

Consider Ciera
your go-to for any
questions.

Jeffrey, I'll get the
results about a
week after the
blood draw.

Thanks,
Peter
