Subject: Question

Hi [REDACTED]. I just spoke with [REDACTED] and she is concerned about keeping care of the house as well as [REDACTED] when you go to the Philippines...if your trip changes to Oct, does this mean that [REDACTED] will also go in Oct or does she still want to try to go in Sept? Is [REDACTED] available to help when you are gone? WE need to find [REDACTED] help...I have also asked [REDACTED] if his wife would be available to come, but I think she has a job...please let me know your thoughts.
