**1st Grade  
6/3!**

The 1st Grad  
Wednesday,

The first grade students learn about the life cycle of a bee and the importance of bees in our lives. Social Studies students learn about the project. Students learn how to earn donations. Through the project, students are able to provide a source of income for the hives will help the bees survive and in some cases, the bees will have a livelihood. The project is a great way for students and their families to learn about bees and their importance to the world. International
