HI Larry...you guys had 10B, 11B and 11J...YOU should stay in 11J again...and what ever pilot is coming back should go back to the apartment they stayed in before because nothing has been cleaned since y'all left...

10B: 10067
11B: 61201
11J: 20611

Let me know which 2 apartments you want so I can have Tess start cleaning the one not being used Monday morning :)

thanks, [REDACTED]
