Subject: Travel insurance for JE Belarus visa

7. Medical insurance (effective July 1, 2014)

All visa applicants have to present a travel insurance valid for Belarus or worldwide (can be provided by Travelex, Travel Guard, RoamRight, Allianz Global Assistance, Travel Mate, Seven coners, International Medical Group (IMG),...).

A letter from applicant's insurance company (original or copy) is required. This letter should contain the following information:

- name, address and phone number of the insurance company;
- full name of the policy holder;
- insurance policy number;
- insurance territorial coverage (should be valid in Belarus or worldwide);
- insurance term of validity (should be valid through the period of the travel or temporary residence in Belarus);
- amount of emergency medical coverage (should not be less than 10.000 Euro ~ \$12.000 with \$0 deductible).

Please kindly note that a photocopy of insurance card will not be sufficient enough to meet the above requirements.

The insurance coverage letter is a compulsory document. Applicants missing this document will systematically have their visa denied.

All travellers need to have the insurance coverage letter in original during their stay in Belarus.
