[REDACTED]...I cancelled your appointment with Dr. Magnani for a cleaning...you don't need another cleaning until October! You only need to see Dr. Chen for the follow up....OK?

Thank you!! Have you spoke with dr.Magnani? I just called the office and made an appointment for wednesday 10:30am. I'm just quite not sure for what I should come back - I believe he said for cleaning or something like that.. the girl on the phone told me that he is fully booked but for cleaning I can come. So I hope that's what I have to come back for... :)

Good morning Lesley!
After surgery on Monday Dr. Chen told me I should come back to see him after surgery. I can call their office and schedule an appointment so that you wouldn't have to worry about it.. Just wanted to let you know about it!
Also, dr. Magnani said that after surgery I should go back to him as well. Should I call their office to find out what for and schedule appointment or you will call them? as school is over I'm free all the time and any time is good for me to go see them.

Thank you!
