Morning Janusz! Yes, I figured we would need to speak to Jeffrey and Eva and get permission sort of thing...I wanted to make sure it was something Ofelia would be interested in first for sure! Jeffrey has told Lyn and Jojo they cannot go in Sept, but Oct is fine (too much happening here in NY in Sept) As the dates approach we can revisit this...thanks so much!

I have also asked if Karen, Lyn's daughter, could help out some....

> Hi [REDACTED]..Well, this is a really unusual situation. In Eva's house some work will be done during the summer. Ofelia works there alone and will have to make sure the house is ready when the family comes. She will like to help in New York, but at the same she doesn't want this to affect her work here. If it is ok with Eva, she can go to NY and help for few days but she can't be there for a whole month. Will be helpful if she knows some kind of schedule when she will be needed.

I believe Tess will be going the same time as Lyn and Jojo and it is a lot for one person (Louella) to clean the house and the apartments...Louella says she is working for Eva...I am wondering if Eva and Jeffrey could work something out here...but I guess first, we need to know if your wife would be ok with coming...
