JE did have a chiropractor he loved in the city for adjustments, but he died...for a masseuse...I am not sure unfortunately...I can ask him and ask around!

Hi Jeffrey,  
Am in NYC and have started working ---  
THANK YOU again for recommending me!!!  
Really appreciate it, and think this is going  
to work out perfectly.

Can you recommend a masseuse that can do minor physical therapy  
(just body alignment/adjustment)?

Love to stop by and visit when you are back in town!!!  
Best, [REDACTED]
