Subject: Office tomorrow

Morning Bebe. I'm kinda not feeling great about asking Jeffrey if the office can close early tomorrow. Did you speak to Darren? I know he is away. I did not speak to Rich either. I just feel like Jeffrey is not here much so if he is here we should be here too. Thoughts? And if Darren says you can have a half day (and that is who you work for) I think by all means you should have a half day! But I feel Erin asking JE..◆
